

laifen

Laifen Neo High-Speed Hair Dryer

A professional high-speed dryer, equipped with advanced motor technology to deliver ultra-fast, smooth, and hair-protecting drying, complete with three versatile nozzles for styling precision.

Key Benefit

Ultra-Fast Drying

A 110,000 RPM motor delivers 22 m/s airflow for quick, 3-minute drying.

200M Negative Ions

Releases 200 million negative ions to lock in moisture, smooth frizz, and leave hair looking sleek, shiny, and healthy with every use.

Multiple Drying Modes

Two airflow speeds and 5 temperature settings, allowing you to choose the drying experience that suits your needs.

Heat Damage Protection

Smart Temperature Control monitors heat 100t/s to keep hair safe from overheating.

Lightweight Design

Weighing only 390g, the compact body reduces hand fatigue and makes it easy to use for everyday drying.

Technical Specification

Body Weight	Motor Speed	Airspeed	Negative Ions
390g (w/o cord)	110,000 RPM	22 m/s	200 Million
Smart Temperature Control	Sound Level	Body Material	
100t/s	59dB	PC+Glass Fiber	
Settings Speeds	5 Temperatures Mode		
Low Speed / High Speed	Cold / Warm / Hot / Temperature Cycling Mode/Child Mode
